Re: Swett Exploratory Committee
C00431502

Dear Sir/Madam,

I am writing to advise the FEC that it is my intention to terminate the Swett Exploratory Committee. Following the payment of any outstanding invoices and obligations, I will donate the balance of funds in the Swett Exploratory account to the Lantos Foundation for Human Rights and Justice, a 501C3 tax-exempt organization dedicated to the advancement and promotion of human rights.

I serve as the President of the Lantos Foundation and receive compensation for my work leading the organization. While the Lantos Foundation annually raises sufficient funds to more than cover the cost of my compensation without any need to rely on resources received from the Swett Exploratory Committee, I am mindful of the legal requirement that campaign funds may not be converted to the personal use of the candidate. For this reason, I am proposing the following steps to ensure that no left over campaign funds from the Swett Exploratory Committee could be converted to my personal use.

All funds transferred from the Swett Exploratory Committee to the Lantos Foundation, following the termination of the Committee, will be held in a separate bank account that will only be used for Lantos Foundation expenses relating to programs and not for the purpose of any compensation, including my own. This will provide the most secure means of segregating the donated excess campaign funds and provide an accurate recording of expenditures in order to ensure and verify that none of the funds will be used for my personal use.

Please advise whether this approach will meet the requirements of the law. I will await your response before moving forward with the Swett Exploratory Committee termination.

Sincerely,

Katrina Swett
